Great news!

We have received confirmation from HMRC that Social Investment Tax Relief (SITR) applies to this project. What does that mean?

Basically SITR is the government's tax relief for social investment which encourages individuals to support social enterprises and helps them access new sources of finance.

Individuals making an eligible investment can deduct 30% of the cost of their investment from their income tax liability. The investment must be held for a minimum period of 3 years for the relief to be retained.

This will apply to eligible Shareholders in The Swan Community Interest Company. Further details will follow soon.

The Green Room School video

The long awaited video is now available on the website. Pupils and graduates of The Green Room School talk about the potential impact of The Swan on their lives. This is totally unscripted. This is from the heart.
