## Exciting news!

Hi Friend,

We are delighted to announce that an offer for the Asset of Community Value (The Swan) was made yesterday by The Community Interest Company. Willie Calvert of the W&E Brewery shared this exciting news at another meeting last night of potential investors.

We wait now to find out if the vendor will accept this.

A big thank you to everyone who has already invested in our community hub so far. For those who haven't done so yet, we have now added FAQs to the website answering key investment questions posed.

Let's fill up our fund-raising barrel to the top as soon as possible. If you haven't had a chance so far, we hope you can now invest so we can be sure that we hit as soon as possible the £200,000 target required for the refurbishment.
