

The Swan

Hi Friend,

I have some really exciting news for you regarding The Swan.

But firstly, who am I?

My name is Richard Douglas and I am acting as the Honorary Treasurer for the Community Interest Company that has been formed to Save Our Swan.

What's my news?

- Our offer for The Swan has been submitted; we are just waiting for a response from the vendor.
- We have also received confirmation from HMRC that SISR applies - eligible stakeholders will therefore get tax relief on their investment.
- I am equally happy to report that we have already raised 70% of our community fundraising target of £200,000.

So why am I contacting you?

Earlier in the year you indicated, by making a pledge, that you wanted to be part of Saving Our Swan.

Do you still want to be part of it?

If so, I invite you to invest at the earliest opportunity to enable us to hit our target to meet the cost of Phase 1 of the refurbishment so that The Swan can be opened for business as soon as possible.

Any questions or lingering doubts?

Please see the FAQs on the website www.theswanwindsor.co.uk or contact me directly.

How do you invest?

To make an investment is relatively simple, see below. I look forward to you joining us.

Thank you for your time.

Best Regards,

Richard Douglas

Honorary Treasurer, The Swan Clewer Community Interest Company.
