

The Swan

Hi Friend,

What a couple of weeks we have had with some big and exciting strides toward our goal to Save Our Swan!

Here's what you need to know in just a few minutes.

1. Our bid was accepted by the vendor on Friday 23rd November.
2. Subject to contracts, we hope to exchange around New Year.
3. Renovation work to start early next year.
4. With a view to opening in the Spring.
5. The renovation will be completed in phases; it's going to be a journey.
6. The first phase will focus on getting the bar up and running ASAP.
7. The kitchen will follow quickly and then further phases will include the B&B.
8. The vendor did a tidy-up of courtyard area in The Swan - it's looking better.

The press have been following our story closely.

Last Monday both Will Calvert and Richard Allen were interviewed by Phil Kennedy of BBC Radio Berkshire. We had over ten minutes of coverage!

Today, The Windsor & Eton Express has published a follow-up article by Kieran Bell. It's in their newspaper and on their website.

Both are easily available via our website.

The Swan in the Press

Using your feedback.

Thanks for your very useful feedback, please keep it coming.

We continue to push regular updates through Twitter and Facebook - please join us to keep up-to-date with progress. Also join in the discussions that have started.

We are making updates to our website with articles and usability improvements that you have asked for. We plan to make further additions in the coming days.

We are now on LinkedIn too - please follow us so we can spread the word.

Hitting our target

The excellent news is that we are **75%** of the way to hitting our target to support the first phase renovation activities but we still need further investment.

If you haven't invested yet, please can you think about doing so soon? Or do you know someone who might be interested? Please tell them.

Volunteering

We've had quite a few people most graciously offering their services. Thank you. At the moment it's a bit early so we have taken note and will follow up later.

We will also be posting to Facebook and Twitter nearer the time. Any activities we can do through the community allows the money raised to be used elsewhere in the project. Volunteers will be critical!

Thanks for taking the time to read this. Have a fantastic weekend!

Regards, Caroline
