

The Swan

Hi Friend,

The Swan has been saved – can you help us to get it flying again?

Earlier in the year you joined many others from the local community who pledged their support for this exciting project. In the knowledge of the strength of this support a mortgage has been obtained and our offer has been accepted – the keys to the Swan are now within touching distance.

The generosity of individuals has continued to be amazing and the vast majority of those who pledged support have now transferred funds into the Swan Community Interest Company bank account. We are already 75% of the way to achieving our £200,000 target to enable sufficient refurbishment to get the pub open and trading as soon as possible. If all those who pledged their support are now able to transfer funds, we will reach our target.

Are you still able to support the plans to establish the Swan as a community hub? Your support will make a real difference – £1,000 will go a long way towards cleaning and clearing the bar ready for use!

If you have any further questions please check out the FAQs on our website or get in touch by email.

If you are no longer in a position to support the project please do let us know.

Regards,

Richard Douglas
Honorary Treasurer, The Swan Clewer CIC
