The Swan

Hi Friend,

As you may have seen, we have now hit over £158,000. This is almost 80% of our initial £200,000 target. We are very proud of achieving this total so far, but we still need to keep going.

Sale Process - Quick Update

We are pleased to report that this is moving forward in line with the timelines set by the vendors. At present all indications are that we will receive the keys sometime in mid-January. This will be a reason to celebrate, so please watch this space for an announcement!

As you may imagine, the focus is on quickly achieving the completion of the sale. Once this is done, our Honorary Treasurer will be in contact where appropriate regarding share or loan certificates. For those yet to decide, please see our website and social media for further information about investing.

Meet The Team

Some have asked who The PR and Fundraising Team is. To answer this, we have added a new section to the website so that you can get to know us a bit more and find out what has driven each of us to become involved in this project.

In summary though, we are nine local people all who have volunteered to help Save Our Swan. We are also all investors. To date our focus has been on raising awareness and collecting funds for the first phase of the renovation. As the sale process progresses, we are now also starting the process of applying for grants from local and national bodies.

Email contact details for each of us are on the page, so please feel free to get in touch!

Thanks for taking the time to read this email.

We wish you and your families & friends a Merry Christmas and a Happy New Year. We will be back in touch in early January ... unless something happens in the meantime (fingers crossed).

Regards,
Caroline and The Team
