

The Swan

Amazing News!

Hi Friend,

Firstly a Happy New Year and thanks for your continuing support. We have a good feeling that 2019 is going to be a really rewarding time for our community.

And especially now as we have successfully exchanged contracts today on The Swan!

It has taken a long while to get to this point but this a very significant moment for us all. It won't be long now until we get the keys.

So what happens next?

Things will start to move a lot faster, that's for sure.

- Completion should take 15 working days from now. The Swan should be officially ours by the end of January.
- We will be holding a small bash at the pub to celebrate this milestone and raise a toast to the success of The Swan. Details will be shared with you soon.
- We can now finalise the renovations plans and let you know what help we need - don't forget if you have any ideas you can share them on the "Ideas for the Swan" chat on our Facebook page.

Fundraising

Our fundraising total now sits at £159,569 which is a great achievement, but we still need more money to reach our initial target of £200,000. There is still time

to invest if you haven't yet. Check out our web site for details.

How to invest

We will be in touch very soon with more information and when we are actually getting the keys.

Regards,

Will Calvert & Richard Allen
