

## **Site Clearance Day Update for the Afternoon Session**

Hi Friend,

We have made fantastic progress this morning. The good news is that we are ahead of our plan.

It means that this afternoon, we can potentially start stripping the old decorations from the walls. There are a lot of rooms / walls to do.

We would therefore appreciate if you could also bring some decorating tools this PM.

- paint/paper scrapers,
- buckets,
- sponges,
- wallpaper strippers,
- heat guns, and
- basically anything else you can think of.

Thank you again for your offer of time, we can't wait to see you this afternoon to get cracking!
