

QUICK UPDATE

Dear Friend and <<Partner's First Name>>,

What a week it has been!

- Huge progress was made by the building team during the week.
- We've had another very successful volunteer day.
- We've raised a cool quarter of a million pounds via the Founder Shares.
- And the Prospectus has been published; you can find it on the website.

FINANCIAL UPDATE

The grand total as of Monday 4th March stood at an amazing £272,816.50. Whilst there are no more Founder Shares now available, we are still accepting loans and donations. Details can be found on the website.

VOLUNTEER DAY

Last Saturday we had another volunteer day. This was well attended by The Swan Supporters and we made huge progress. Our builder has asked that we pass on his personal thanks; he was most impressed by our achievements.

Before ...

After ...

Apart from tackling the bar area, the team got stuck into the B&B bedrooms, the kitchen and the hall (which will become the school / meeting / function room). It was a massive effort whilst having a good deal of fun too.

Demolition and Stripping

OUR NEIGHBOURS

We would like to really thank our immediate neighbours in Mill Lane. There was a lot of noise and a lot more dust than we expected. Also we have had several commercial vehicles making deliveries too. Many thanks for your continued patience and support during the refurbishment.

COMPANIES AND TRADESMEN SUPPORTING OUR SWAN

We have had some great support from the local business community. Some are offering their time free of charge or equipment at vastly reduced rates. To acknowledge this support, we have just started a recognition page on the website. It will be constantly updated as we get more and more support.

As an example, many of you will recognise Ian and Anthony Birch who have been working during the week. They have offered their skills and time free. There are others too. Paul the chimney sweep, and Jeff the plumber. Without them, we would have had to delay the last volunteer day.
