CAN YOU VOLUNTEER?

Hi Friend and <<Partner's First Name>>,

Our next volunteer day is on **Saturday 30th March**.

We have such a great team of volunteers helping us on our volunteer days and we cannot thank you enough for all your time and effort supporting The Swan. The hard work continues so if any of you can spare a few hours to help us on our next working bee we would appreciate all the help we can get!

As usual any new faces are more than welcome, the more the merrier!

JOBS TO BE DONE

We now need to focus on the important pre decorating tasks. The jobs required on Saturday 30th March will be sanding, sanding and more sanding! All of the windows, doors, skirting boards and staircase banisters need to be carefully sanded back to prepare us for the next decorating phases. It will be less physically demanding this time round, but if you fancy coming down and losing yourself in your thoughts for a few hours, sanding can be quite therapeutic:-)

More information about the day and how to register can be found on the website. Just click on the following link. Thank you for your time and support.

Thank you again to all those who've kindly donated. If you have not heard from us personally yet then please get in touch and let us know who you are. Some of the Amazon packages arrive with no name or contact details and we would love the opportunity to thank you!
