Dear Friend and <<Partner's First Name>>,

VOLUNTEER DAY - SATURDAY 27TH APRIL

We are delighted to invite you to join in the fun of bringing The Swan back to life on the next Volunteering Session on the morning of Saturday 27th April. There is still plenty to do and is a great way to get properly mucky and meet new people. Here's the link if you want more information and to sign up:

[More About Volunteering](#)

You can also sign up to volunteer during the week and The Swan team are especially looking for people with the following skills: plastering, plumbing, decorating, tiling, dry lining, labouring, glazing, upholstering.

THE SNEAKY BEAK - SOCIAL EVENING

Following the Volunteering Session on the 27th April there will be an evening of fun, food and beer between 5:30pm and 9:30pm. This event will be held in the courtyard of The Swan and will enable those who haven't yet been on site to see a little of the work in progress and those who have been on site to enjoy a well-earned beer and burger amongst friends old and new. It will also be a vital opportunity to raise more funds for the work, which as you know is far more extensive than previously thought.

Please do keep the date free and keep your fingers crossed for a bright and warm spring evening as we will be outside (bring your blankets).

THE BEVY

The Community and Fundraising Group have been working hard to put together plans for The Bevy, as mentioned in the prospectus. There are plenty of ideas for the directors to consider and, once finalised, we will announce the details of this through our usual channels.

PROGRESS UPDATE

As Easter week approaches work continues apace at The Swan..

Final decisions have now been made on the bar layout, and relevant restructuring work for this is underway.

Peter, the builder, has made good progress on the interiors of both pub toilets, with stud work already being installed. That has allowed some design decisions to be made and some vital testing of some standing room space!

Electrical work is due to start next week starting with the toilets and the school room.

EASYFUNDRAISING

In the day and age where many of us shop online, nothing could be an easier way to donate than by shopping through Easy Fundraising and not actually donating any of our own pennies.

Sounds good? Then follow the very simple instructions here and you too may feature on The Swan's Easy Fundraising Leader board. Whoever Chris is s/he

has now beaten Louise to the number 1 spot!

The process is very simple, more information can be found here:
