

The Swan

UPDATE FOR GOOD FRIDAY

Dear Friend and <<Partner's First Name>>,

Now that the weather is getting better and we are making good progress with the renovation, we wanted to take the opportunity for you to join us for some fun and see what has been happening.

OUR FUNDRAISING BBQ

We are really pleased to give you some more information about our fundraising BBQ on the evening of Saturday 27th April. It will be held in the courtyard of The Swan from 5.30pm until dusk (between 8.30 and 9pm).

We will be running a BBQ selling freshly cooked food, plus a paid bar serving wine, soft drinks and of course Windsor & Eton ales! We are also planning entertainment and short guided tours so that you can see progress in the pub so far! Note that for health and safety reasons, you will need to sign-up for the tours. Please register with one of the Swan Volunteers who will be located near the main gates when you arrive.

All of the Directors will be there too and as well as giving a short update, they will be available for a chat.

Richard Douglas, our Company Secretary, will be also available to talk to those interested in joining The Bevy by making a loan to help the renovation. He will also be able to answer any queries about share certificates.

To get an idea of numbers (so we have enough food & drink!), we would be obliged if you could quickly complete a [short form](#) for us. We hope to see you at the BBQ.

THE BEVY

Community spirit saved The Swan. ***The Bevy*** will bring us together.

A Bevy is a large group of people and the collective noun for a group of swans - making it the perfect name for our members club. Funnily in the north it is also a word for an alcoholic drink.

Those people who have loaned money, or invested in shares, or gone above and beyond the call of duty in volunteering will all be invited to become Founder Members of ***The Bevy*** in recognition of their support of The Swan.

Is it still possible for me to join ***The Bevy***? Yes, you can still become a Founder Member by:

1. MAKING A LOAN: these are a great way to show your support at this crucial phase, but also make your money work for you! Your contribution will be repaid at twice that value in food and drinks from The Swan pub when funds allow (this is envisaged to be one to two years after opening).

2. GIVING A DONATION: these are always welcome too and can either come directly to The Swan or via the Green Room School (Charity no. 1149294) if you wish to specifically donate towards the educational/community aspects of The Swan. A charitable donation will enable us to enhance the donation by claiming Gift Aid tax relief on eligible donations.

3. VOLUNTEERING: giving your time, energy and skills outside of the organised volunteering days. Anyone can volunteer. It can be very rewarding and is a great way to:

- meet new people
- gain new or use existing skills
- get experience
- make a big difference to our community
- help The Swan open as soon as possible.

Further investment details can be found on our [website](#).

Membership of **The Bevy** is free for life and will come with future benefits and perks once The Swan is up and running. Joining **The Bevy** now will also mean you will be invited to our special Pre-Opening Bevy event to say thank you to all those of you have shown faith in this project, this seemed simply impossible only a few months ago.

We don't have a definite opening date at this stage of renovations, but Founding Membership of **The Bevy** (including the 2-4-1 loan offer) will close on Friday 24th May.

Further information can be found on our [website](#). If you have a question please email us at thebevy@theswanwindsor.co.uk

VOLUNTEER DAY

Just a quick reminder we have another volunteer session on the morning of Saturday 27th April.

More information is available on our [website](#). As usual, pre-registration is required. Thanks in advance.

Please look out for our Bank Holiday Monday update. We will be sharing the outline plan of the bar and including a lot of photos so you can get a flavour of what has been happening recently.

Enjoy the holiday weekend. Fingers crossed the weather stays the same as today! Wow!

Warm regards,

Will & Richard
