

The Swan

TITLE

Dear Friend,

We are delighted to take you up on your offer to help us on Saturday 27th at The Swan.

HEALTH & SAFETY

We have only one session which will run from 9am to 1pm. All volunteers must be present for the group Health & Safety induction and introduction to our plan for the session, so we would appreciate if you could arrive promptly.

HOUSE KEEPING

There are still limited facilities on site. We have a single toilet, running water and limited electricity. The floor is uneven across the site, so please wear solid, closed toe footwear.

TASKS

Tasks on the day will include:

Paint Stripping:

Maker Industrial have donated paint stripping materials free of charge. Their Sales Manager - Matt Raybould - drove down from Manchester to deliver them. We will have the alcoves in the bar and one of the bedrooms ready to strip.

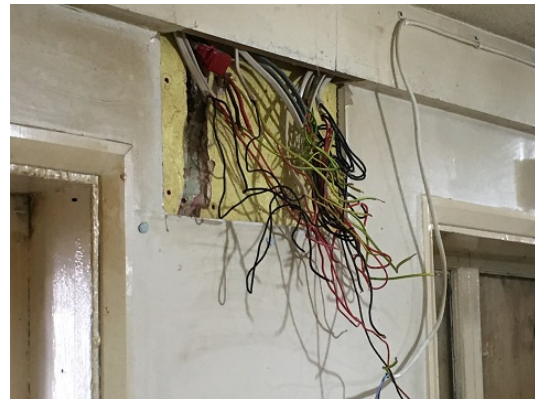

Demolition Work:

The school room still needs the shower/toilet room demolished. Water and electricity have been removed, so we are green to go to remove it fully. After carefully removing the tiles, some brute force and ignorance might be required.

Tidy up the Kitchen

We have two specific goals for these weekend:

1. firstly to remove the last of the old wiring from the area.
2. to take out the old boiler so we can bring in the specialist heating engineer.

Generate More Funds

We have removed a lot of old wires from the building. These are being securely stored as they have value which we need. BUT before we can, we need to strip off the plastic (or whatever) to get to the bare metal. Help here is really appreciated.

Removal of the Old Vanity Units

The bedrooms still have the old vanity units in them. They have been disconnected for a while but never removed. We will need a couple of sturdy people who have deft feet to remove them and get them out of the building.

Tidying the Courtyard

The stuff the courtyard has been growing and needs a little attention. Well more than a little!. The skip is going but we have a lot of items that need sorted out, taken to tip, moved into the garage., stacked, etc. We really need your help to make the courtyard look attractive again.

And if we get through these, then there are a few more that we have ready for you (such as removing and storing the large wardrobe in bedroom #1, more clearing and cleaning, sorting out the pub paraphernalia, etc).

Fundraising BBQ

And if you are at a loose end on Saturday, why not come along to our fundraising BBQ. Drinks and food are available. Tours and Entertainment will be provided. Further information can be found on the [website](#).

Again, a huge thanks for your support. See you on Saturday.

Warm regards,

Lexie
