

Volunteering on Weekdays

Dear Friend,

We have been making big progress at The Swan recently. The supporting steelwork is already in. You probably saw the work starting today for the new electricity supply. This Saturday we will be starting to rebuild the bar floor.

I am glad to report that the pace is really picking up! At this rate we hope to open the bar some time during the summer.

We have lots of jobs that could be completed by volunteers during the week. This includes general cleaning, to scraping, to painting, to general labouring, etc. The list is quite long so whether you do DIY or are a tradesman, your help would really be appreciated and help us open The Swan soon.

Can you donate a few hours of your time during the week?

If so, please drop me a note at volunteers@theswanwindsor.co.uk or call on 07707 479 751. If you have any questions, then please use the same contact details.

Thanks in advance, Marilyn

Marilyn Morrison, Site Project Manager for The Swan
