

TITLE

Hi Friend,

We are delighted to take you up on your offer to help us on Saturday 8th at The Swan.

HEALTH & SAFETY

We have only one session which will run from 9am to 1pm. All volunteers must be present for the group Health & Safety induction and introduction to our plan for the session, so we would appreciate if you could arrive promptly.

HOUSE KEEPING

There are still limited facilities on site. We have a single toilet, running water and limited electricity. The floor is uneven across the site, so please wear solid, closed toe footwear.

PROTECTIVE EQUIPMENT

We would ask if you have any PPE to bring it along with you. This includes gloves, masks, etc. Don't worry, if you don't have them we have a small stock just in case.

TASKS

There will be a variety of tasks to be performed on the day. This will include such things as cleaning, preparation for the BBQ, wire stripping, paint stripping, etc. If you've been down before, you'll know we have a very long list of things to be done.

SECURITY

Please be aware that we now have a number of high value items and raw materials on site. These have not been publicised in our emails, website or social media. Wherever possible, we will storing these away securely out of view for the BBQ. We may need your help with these but we ask politely, Mum's the word please.

Your help is really appreciated. Thank you in advance.

Warm regards,

Lexie

For and on behalf of the The Friends of The Swan
