

The Swan

Saturday 13th July

Dear Friend and <<Partner's First Name>>,

We are planning to run another volunteering day this Saturday coming. It will run between 9am and 5pm. We will publish details of the format shortly. We just wanted to give you a heads up so you could save the date.

We will have a variety of tasks to be undertaken, which will probably include much sanding and painting both external and internal. It will also have the wire stripping table as we still have plenty more to do.

Pete and some of his building team will be in too. They will be making good the various door / alcove changes we want. They may need some help fetching and carrying, making cement, etc.

Weather should be good on the day. We even have running water. And a loo too! What more do we need? You of course!

All welcome as usual. Any help you can give is warmly appreciated and does help us get the pub open. So if you have a morning, or afternoon or even a few hours, pop down and be part of it. Thanks in advance.

Warm regards,

Lexie
