

The Swan

OPENING THIS SATURDAY

Dear Friend and <<Partner's First Name>>,

As you know, we are opening this **Saturday, July 20th**, and so we just wanted to share with you what you might expect to experience at The Swan across the summer months

In line with our vision from the outset, from this autumn we will have a fully functioning and cosy - if a little rustic - pub, proudly serving the community of Clewer and beyond. However, to get us to this point, there is much renovation work still to be done.

We have taken the decision to open in order to give investors and, indeed, all of our customers, the opportunity to sample the atmosphere of The Swan and quench their thirst during the summer months. However, on opening day and throughout the summer, the renovation work will still progress as The Swan continues on its journey to becoming a fully- fledged pub.

The bar will be fully staffed by Matt Baker and his team, serving a range of alcoholic and non-alcoholic drinks, with food available on opening day from Italian Street Food.

The Swan team will be running activities in the courtyard during the day including "Swanbola" and The Swan buzzer game. They will also be collecting orders for our Swan polo shirts, embroidered with the brand new logo. Cost for the polo shirts will be £15.

And, finally, some important points for all to please note :-

- The bar will initially be **cash only** – so please bring sufficient cash to cover your food, drink & purchasing needs.
- Access to the inside of the pub will be restricted due to the continuing renovation work.
- Hence, initially, **only outside seating in the courtyard** will be available.
