FRIDAY UPDATE

16th August

Dear Friend and <<Partner's First Name>>,

BBQ & BOOGIE - SATURDAY 18TH AUGUST

It may have been a bit damp this week, but the forecast for Saturday is looking good! So down at The Swan we are giving Ian and Tony another chance to wear their new chef's outfits and planning another BBQ. Food will be served from 5pm to 8pm and will be £5 per item. All food is bought fresh on the day, so don't forget to check our social media posts on Saturday morning for the menu.

This week we are also very lucky to have **live music** from lassen and Zoe. Also known as The Soul Works Duo they are an acoustic duo who cover a wide range of artists from Eva Cassidy to Jessie J and George Michael to U2. Weather permitting, their set will start at 6pm for about an hour.

AND..... Don't forget our **new parking option** at The Grenadier Club on Maidenhead Road – just three minutes walk from The Swan.

INFORMAL VOLUNTEERS MORNING

There will be an informal volunteers morning on Saturday from about 9am. We have a range of tasks to do that can suit all skill sets. As you may guess, painters and strippers are in big demand. Also those who can tackle the issues in the kitchen.

SWAN MERCHANDISE

We have a limited number of pairs of our very popular **swan earrings in stock NOW!**

These will be on sale for £10, along with polo shirts, posters and other merchandise, at the BBQ event on Saturday, but can also be bought from behind the bar on any week night. So, get yours quick before they all go!

FOOTBALL FRIENDLY?

Luke, of the bar team, is looking to put together the inaugural **The Swan versus The Brewery** football match. Format of five or seven aside to be

determined. So, if you fancy some exercise and a bit of friendly competition, followed by a sociable pint at The Swan, please complete [this form](#) and we will get back to you. Date, time and location to be confirmed once we know who is interested.

THAMES PATH CHALLENGE

A quick reminder to check out Alex Loveless' sponsorship page on JustGiving.com. Alex is putting in the miles training for his 50 km run (31 miles!). His big day is now just over three weeks away!! So far he has raised over £500 for The Swan – all of which will be going towards the refurbishment of the kitchens, but there is still time to show your support.

We are also planning an event at the pub on Sunday 8th September to celebrate with Alex when he completes his run, so put the date in your diary

BUILDING UPDATE

Frank the electrician finally arrived Monday only to make some rather odd mistakes. All info had been run through and emailed previously by myself regarding Swan in general and Lexie regarding the school room. Anyway we do have progress in this respect and we have 3 electricians on site Monday so will be able to cover a lot.

Scott the plumber has been on site sorting the ongoing plumbing.

Bas and Diana have refurbished one of the old external lights. They have totally cleaned it up and painted it in The Swan colours. As you can see, it works very well so we will be looking to do the same with the other lights.

Ian Grey our resident plasterer has helped save the day. He, Ian and Tony have been sorting the final plastering items to the bar including the fire breasts.

Note that during next week the bar will be situated in the Coach House.

This will allow the team to build the main parts of the bar, install the final beers lines, and lay the oak floor. The internal bar will re-open on Saturday for the August Bank Holiday and for activities that we will be announcing shortly.

So all coming together.

Have a great weekend. Marilyn x
