FRIDAY UPDATE (part 2)

20th September

Dear Friend and <<Partner's First Name>>,

RUGBY WORLD CUP

We would just like to confirm that the TV is now in and working. We plan to show all the games that kick-off after 8am.

This morning fans enjoyed a cracking game between France and Argentina. The hotly awaited New Zealand versus South Africa kicks-off shortly.

Tomorrow the home nations are playing, Ireland and Scotland at 8.45am and then England versus Tonga at 11.15am. Wales will be on Monday when they play Georgia.

Why not come down The Swan and cheer them on?

PROJECT MANAGER'S BUILDING UPDATE :

We have had a Productive week at The Swan .

The men's urinals are now up and running and we have started decoration to the men's loos.

We have sourced some really lovely Moroccan style mirrors for ladies room and it has given the room the wow factor . We still have decoration touch ups to do .

Next week we will be fitting the baby change units to both the men's and ladies toilets .

The skirtings have been cut to size and are ready to fit.

We now have WiFi and a television in situ which is a real milestone .

The electrical works are almost complete and the external wall lanterns that have been lovingly restored by Baz and Diane will be fitted today.

We have been working on the main windows that we will start painting next week.

The school room opened its doors this week and looks fantastic and we have already had some interest from people looking to rent the space.

Pete our resident builder will be back next week and is going to complete the bar and start creating some fabulous window seating .

We have radiators ! All have been fitted now and will be connected and working next week.

The Swan opened its doors on Monday morning and nobody seemed to mind being amongst our regular volunteers armed with hammers, drills and paint brushes . We now serve delicious cakes and coffee from 9.30 am.

Have a super weekend .
