Calling All Painters And Cleaners

Your Swan Needs You

Dear Friend and <<Partner's First Name>>,

The Swan has moved on quite considerably during the last couple of weeks. We really need a hand to take that final leap so that we can finish off the interior of the pub.

WE NEED YOUR HELP PLEASE

We are going to have two big painting pushes over the next couple of days. Our focus is going to be:

- the new skirting boards,
- the front windows,
- the new stable door (weather permitting),
- the gents toilet,
- behind the bar (e.g. the shelving, etc),
- the new side door,
- and at the bar / cellar entrance.

If we have time, we want to apply more coats of protective oil to the bar top too. We will also have some small finishing touches to be done in the school if we have enough people.

Importantly we will be lifting the floor covering in the bar area to expose the new wooden floor. This, and other areas, will need properly and carefully cleaned.

So lots of jobs for people of all ages and abilities to do.

We have two days ear marked to do this:

- **Friday 27th**, when the pub will remain open
- **Tuesday 1st**, when the pub will be closed during the day.

We want the pub to look its' best for The Windsor Fringe over this weekend and then for the live broadcast by BBC Radio Berkshire on the evening of Friday the 4th.

We appreciate it is during the week but any help would be appreciated. We have all the paints, caulk and filler now, a limited number of good paint brushes (so bring your own too please) but we do need you to make this a success!

Hope you can help and thanks in advance,

Lexie
