

EIGHT NUGGETS ABOUT THE SWAN

Friday 7th February

Dear Friend and <<Partner's First Name>>,

As it starts to get a bit lighter, and a bit less wintery, there is a lot more going on down The Swan during February. Tonight we have the Pizza van from 6pm, on the last Monday of the month the new games club, twice a week we have the knitting/craft group, and we also have the return of live music, the quiz and the rugby.

And there is more to come too ... watch out for information about a German language group, the Sixth Year projects coming from the School, food on a Thursday evening, and more.

Choosing our Local Charity for 2020

We have three local charities that would benefit from support from The Swan. They are all very deserving causes however we can only support one of them this year. As promised, we are putting the selection to the local community via an online vote.

We have three potential charities to select from:

- Windsor and Ascot Driving Group,
- The Baby Bank, or
- Family Friends.

Rugby and BBQ on ‘Super Saturday’

It really is ‘Super Saturday’ tomorrow as the 4 home countries clash in the Six Nations and we will be serving up our ever-popular BBQ. First up its Ireland vs Wales then Scotland take on England in the Calcutta Cup. We now have two TV’s in operation in the bar. The BBQ - lovingly prepared by Ian, Tony and the work experience students from our School - will run from 1.30 to 5.30 pm.

And just to add to the atmosphere, the Draught Guinness will continue to be in full flow – what’s not to like! Timings of the Rugby this weekend are:

Sat 08 Feb	IRELAND		KO 14:15 GMT		WALES
Aviva Stadium, Dublin  					
Sat 08 Feb	SCOTLAND		KO 16:45 GMT		ENGLAND
BT Murrayfield, Edinburgh 					
Sun 09 Feb	FRANCE		KO 15:00 GMT		ITALY
Stade de France, Paris

Our monthly calendar has been published to the [website](#) and to social media. It will also be on the walls in the pub itself.

We have an interesting range of events this month that will hopefully meet all tastes and ages.

The School projects are progressing well

The students of GR6 have been working hard on their communication projects for the Edge qualification. Maddy is working with local musician Teejay Lewis and together they hope to craft some original songs. If you pop by the pub on a Wednesday morning you might see them in action, bringing music to The Swan again.

Live music returns for Valentine's Day

We are pleased to announce that Astronaut are returning to The Swan. From 8pm on Valentine's Day they will be entertaining us with their usual selection of excellent music. If you haven't heard them before, why not come down and spend the evening with us listening to some fabulous music.

Celebrating 75 years since VE Day

We have already started planning for the weekend around the 75th anniversary since VE Day. Ideas and volunteers are most welcome. We are looking to try and find people who are in this photo which was taken in the Courtyard 75 years ago. Can you help?

If you can help in any way, please email us at feedback@theswanwindsor.co.uk

One for the Cyclists

This week saw the installation of floor mounted bike racks under cover. This will allow cyclists to leave their bikes securely (and protected from the weather) whilst having the opportunity to enjoy a wee refreshment in The Swan.

This is the first stage of making The Swan more bike friendly. Watch out for further improvements over the coming months.

Building update

The Weekday Warriors have continued to take advantage of the better weather and have been tackling the roof again. You know? The bit under the blue tarpaulin and around that area.

Remedial work is progressing really well. The guys have cleared the debris, and creeper, and have put in the framework for the replacement roof. This will be then protected and made water tight using a specialist compound.

Want to be a Weekday Warrior? Come down any time Mon-Fri from about 9.30am. All help appreciated.

We continue to maintain our [weekly renovation diary](#) on the website. This is recording the refurbishment activities that we are undertaking.

Hope you have found this informative and the continued events and programmes to your liking. We hope to see you down The Swan very soon.

Warm regards,

The Friends of The Swan
