### Valentine's Day Delights With Live Music

Astronaut are making a welcome return to The Swan on Valentine's Day to make sure everyone is entertained. They helped us see the new year in the last time they played at The Swan and we are expecting another memorable night.

There is no need to cook either as the acclaimed Italian Street Food van will be serving pizza and pasta from 6pm. They will have a special Valentine's Offering too.

## Quiz Night Returns

On Wednesday 19th it is your opportunity to test your knowledge and see if you can topple the current quiz winners "Up The Swanny" and join our [Quiz Night hall of fame](#).

Don't forget it gets busy so why come early to grab a table. Things get going at 7.30pm ready for an 8pm start.

It would be hard to let Shrove Tuesday pass without a pancake or two. On Tuesday 25th we will be selling pancakes and are planning some pancake tossing fun. It is also doubles for singles gin night so what could go wrong? Keep a look out for more details.

## The School's doing dinners on Thursdays

With The Swan's kitchen still being upgraded, staff and students of The Green Room School are launching a special project to provide customers with some warm, delicious, freshly-cooked food, served at their tables.

Friends of The Swan and The Green Room have been invited to take part in the project's soft launch, happening tonight. Diners will be served chicken or paneer curry, prepared at the school and delivered by express, pedal-powered courier.

Guests will be asked for feedback on the experience, and to help choose a name for the project, which will be announced next week!

The project will run on Thursday nights from February 27th. Watch out for updates on social media, including how to reserve your seat at the freshest table in town.

## Building Update

When the Weekday Warriors came in on Monday morning after Storm Ciara, we had only one issue: the tarpaulin covering the Coach House. This was pulled off by the storm and was allowing water ingress. Once the weather was better, Trevor and Ian were up ladders making the necessary repairs to fix the tarpaulin down. Given that Storm Dennis is approaching, the guys had to make additional fixings.

With the weather this week it was decided to hold back on external works.

The electrician came in and has installed lighting to the rear corridor of the pub. This means we can remove the temporary yellow light cages.

Work has started on the stockroom to make it bigger, safer and more secure. We have started removing the partition and installing proper shelving for Matt and bar team.

If there are other events you would like to see at The Swan don't forget to can pop your ideas in to the suggestion box on the bar at The Swan. All ideas are considered and updates posted on our [website](#).

Warm regards,

The Friends of The Swan
