

Your inside look into what's happening

Thursday 12th March

Hi,

A huge thanks for opening up this email and taking the time to have a quick peek into life of The Swan.

There's our usual round up of the previous week, what is upcoming that you might be interested in, and a bit by the School on what they've been doing. And a short renovation update of what's been happening to the building. We also want to share some sad news about one of our Swan Heroes.

LAST WEEK

CHEESE NIGHT

On Wednesday evening the Cheesemunger visited The Swan. He brought along an excellent and varied selection of British cheeses. We were slightly unsure how many people would come, and were pleasantly surprised to say the bar was full and the cheese was going down an absolute storm. Mike's selection was spot on and many of the cheeses sold out by the end of the evening. A resounding success and one to do again!

CAREERS COFFEE MORNING

Daniel (Deej), Careers Advisor & Job Coach at The Green Room

On Friday The Green Room School hosted its very first Careers Coffee Morning at The Swan.

We invited local professionals and employers to network with pupils educating them about the world of work as they prepare for adulthood.

By using the format of "*careers speed dating*" pupils were able to quiz careers volunteers about the realities of work and the journey they have taken into their current vocation. was fantastic to see our young people engage and socialise with new people and more importantly have conversations that can inform potential pathways for their future.

The Coffee Morning was careers education at its finest and we certainly look forward to doing more events in the future of a similar nature. The Green Room would like to thank those involved and express our greatest appreciation to those who gave up their time. You have affected our students future in ways you do not know was even possible. It is difficult to express with words how grateful we are.

COMING UP AT THE SWAN

ITALIAN STREET FOOD VAN

We are very pleased that the Italian Street Food van will return on Friday 13th from 6pm. They will have their usual selection of excellent pizzas and pastas which have been a favourite since we opened way back in July.

SIX NATIONS RUGBY

Okay, a bit disappointing it is not the culmination of the championship. However, at 2.15pm on Saturday we will be showing Wales vs Scotland which promises to be an absolute cracker.

QUIZ NIGHT

Wednesday promises to be a battle royal. Can you and your team win over last month's excellent winners? Quiz master Craig will be hosting at usual. We suggest coming down at 7.30pm for an 8pm start.

BINGO

Why not come down with friends and enjoy a night at the hottest bingo spot in Clewer? Starts at 8pm with your bingo caller, Richard Allen. Cards & daubers will be available. Sorry, it's adults only due to gambling restrictions.

THE GREEN CANTEEN

The Green Canteen continues its sell-out run this Thursday (12th March), with all 30 portions of Charley's tasty beef and veggie lasagne snapped up by Monday.

Staff and students of The Green Room School have been preparing the food at their Albert Street kitchen, and biking over the hot portions for diners at The Swan. The project was designed to bring great food to The Swan and to give students real life work experience so they can develop the skills they'll need to successfully find employment.

[Book your place](#) for the remaining two weeks of this run of servings, and follow The Green Canteen on [Twitter](#) and [Instagram](#) to stay updated on future plans. There's a lot more to come from The Green Canteen team!

BUILDING UPDATE

The weather is still holding up the external works required. We are applying for a permit so scaffolding can be erected to the front of the building. This will then mean we can start on renovating the front of the building.

The team have been some small but essential jobs: new fire extinguishers have been installed; a wine rack installed and filled, and some minor typical DIY jobs that needed done.

Meanwhile members of the Swan Sewing Bee have been busy with the soft furnishings that are appearing throughout the pub. This week it was a full seat cushion for one of the pews (others to follow). The team are also looking at window coverings and other furnishings required.

ADRIAN CHOJNACKI

Husband. Father. Grandfather. Friend. Weekday Warrior. Adrian was a true legend to one and all.

Adrian died unexpectedly on March, 5th. He loved his family. He loved his friends. He loved his Swan.

His Swan art will endure. His jokes and stories remembered. His smile, survive. His laugh, echo.

He will be fondly remembered. All at The Swan raise a glass to you. Sleep peacefully Adrian.

His funeral is Thursday 26th March at 1pm at the Chiltern Burial Park, Beaconsfield; all welcome. There will be a celebration of his life at The Swan later that day.

Warm regards,

The Friends of The Swan
