

ALL VOLUNTEERING CANCELLED

Tuesday 24th March

Hi,

Following the UK Government's announcement last night, we just like to confirm that The Swan is now closed for all activities. This now includes all of the refurbishment work of the Weekday Warriors too.

Whilst the gates and doors are locked, we would like to advise that security and alarm systems are fully functional. Also the building is being monitored remotely. However, we do ask our neighbours to report any suspicious activity. Thank you in advance.

We do advise all supporters, volunteers and staff to follow the advice of the UK Government and stay in doors. Also, please support our key workers and the rest of our community by keeping them safe.

We will continue to keep you updated over the coming days and weeks via our [website](#) and in normal social media channels.

Warm regards,

The Friends of The Swan
