

Eyes Down For Some Easter Fun

Saturday 11th April, 2020

Hi,

We hope everyone is taking it easy over this Easter weekend and making the most of the amazing sunshine as much as possible – whilst social distancing and following the rest of the government and health guidelines of course!

For those of you who are key workers and still out there working in hospitals and care homes, supermarkets and pharmacies or any other essential activities at this time, a **HUGE THANK YOU** from all at The Swan and our local community of Clewer and Windsor.

Virtual Bingo Night!

Last week we teased you with the possibility of a Swan virtual meet-up and bingo night. This week we can announce we are going ahead!

The fun will start at **8pm** on **Tuesday 14th April** and we expect the games to last about an hour.

For those who attended our Christmas Fayre event, old Scrooge himself – now in his happy phase (and masquerading as Richard Allen!) has agreed to be our Bingo caller and host the event.

All you have to do to join in is get your dabber ready and follow these simple instructions. Firstly you will need to register to become a player.

Register Now For The Swan Bingo

Then you need to watch out for a special email from The Friends of The Swan which you will receive this no later than 7pm on Tuesday. That's it!

The email will include joining instructions and a link to your own personal bingo card. You can download the card and print to use in the traditional way or you can use it as an online e-card and click or tap to mark off the numbers.

NOTE: For this first event, there will be **a maximum of 100 players**.

Spaces will be given on a first come first served basis. If all spaces have gone before you have registered, we are sorry. We will keep everyone up to date with the number of players via social media.

We will be using Zoom which allows both audio and video over the Internet. Don't worry if you don't have a Zoom account – you don't need one and we will be providing detailed instructions on what to do.

There is no charge for taking part in the Bingo. There will be an opportunity to make a donation to our chosen local charity for 2020 - Family Friends.

If all goes well we hope to run further bingo events in the future, and perhaps even a quiz. So hopefully all will be able to join sometime in the future.

This Time Last Year...

Wire stripping work on the second floor uncovered old floor boarding that had been personalised by previous residents of The Swan....we wonder what James and Isabelle are up to now! Does anyone know?

Final decisions had been made on the bar layout, and relevant restructuring work for that was underway.

Peter, the builder, had made good progress on the interiors of both pub toilets, with stud work already being installed. That allowed some design decisions to be made and some vital testing of some standing room space!

Whilst We Are Closed...

The pub may not be able to open at the moment, but we would like to reassure you that our General Manager, Matt, is popping in periodically to check everything is in order and make sure that all of the lines to the pumps are in tip top condition for when we are able to re-open.... Think how extra special that first pint will taste!!

Also, during this time, we can confirm that all stock, cash and valuables have been removed from the premises. Our security lights, cameras and alarms have been checked regularly and are all fully functioning. However, of course if you do see any suspicious activity around the pub, please let us know.

We look forward to 'seeing' you for bingo on Tuesday!

Warm regards,

The Friends of The Swan
