We have had over 100 responses to our survey. Many thanks to all who responded. If there are any of you still wanting to give us your views, here is the [link](#). We look forward to analysing next week with a view to communicating the output & future actions in due course.

RACHEL READS

This week Rachel Reads presents a story for children, aged 3 - 10, called 'Possum Magic' by Mem Fox. The story is an Australian favourite

and is a rhythmical adventure of Australia's varied landscapes, animals and foods. See it [here](#)

THIS TIME LAST YEAR

We were making great progress in the main bar building the sub-floor with plumbers and electricians poised to start on the final stages of the first fix. Volunteers were also making great progress preparing the school room for the kitchenette to be fitted.

Exciting discussions on the final design for the pub were progressing, with decisions being made on radiators, tiles, taps and paint, to bring together our final 'look' for The Swan. We also had a visit from Berkshire Fire Brigade, to familiarise themselves with the layout of the pub.

The good news keeps coming with food and drink both now available at The Swan (at least on a Friday evening). Stay safe and keep an eye on all our social media for news on what happens next!

Warm regards,

The Friends of The Swan
