

Can you be a Weekday Warrior?

Their help is critical for the renovation project

Hi Friend,

During the 2020 Survey you indicated that you would be interested in becoming a Weekday Warrior. Or alternatively you needed more information about volunteering in general.

To be clear, this email is only about the Weekday Warriors for now. We will follow up soon with information about potential Volunteering Weekends.

Who are Weekday Warriors?

They are real mixture of people from the local community and want to help renovate The Swan.

They can be furloughed, part-time, shift worker, retired, business owner or even on holiday. They all have some time and energy to donate.

They are a real mixture of ages and sex: young & old, lads & lassies, boys & girls, all sizes fit! They have always found a job that suits them.

Their background is very varied, from manual to office workers, from unskilled to professionals, to story tellers & comedians, a real plethora of skills.

They can be builders, painters, DIY "experts" or someone willing to learn new skills.

But for sure, they all have a passion for The Swan whether it is for the pub, for the school or for the community as a whole.

Meet some of the Weekday Warriors

Can you help at all?

We have already started some painting work in The Courtyard to spruce the place up, and have a whole range of tasks to be done in the coming weeks.

These tasks vary between The Pub itself, in The Kitchen, out in The Courtyard and other areas too. They can be inside or more likely outside.

These include scraping, painting, cleaning, repairing, shifting, more painting, digging, planting, etc. You name it, we will be doing it!

All of the tasks are with a varied level of skill, energy and time requirements.

During this uncertain time we will be implementing a number of measures for the safety of the Warriors and others working on the site. It is essential that everyone abides by them.

Access to the site will be limited due to distancing requirements so it is taking careful planning.

So are you up for the challenge? Become one of the elite! Become a Weekday Warrior! And by the way, we are also looking for a **little admin help** for Lexie to make sure this all runs smoothly and safely. Up for it? Click below!!!!!!!!!!

Thanks for taking the time to read this. We hope you can donate some time next week (and perhaps the following weeks) to help move the renovation project along.

Warm regards,

Lexie
