Remember to order by midday on Wednesday 9 September for collection from 6-8pm at The Swan.

SATURDAY BBQ

Weather permitting there will be another BBQ at The Swan on Saturday from 5-8pm. Please come and enjoy the food and support our valiant volunteers who will again be cooking for your delight! The forecast is good at the moment if this changes announcements will be made via our usual social media channels. Fingers crossed!

WEDNESDAY BINGO

Back by popular demand and playing just for fun. On Wednesday we will be trialling a return of our popular bingo event with the choice of playing at home or in the pub. Space in the pub, for obvious reasons, will be limited. Full details of how to play can be found [here](#).

There will be an entry fee of £1 for those playing in the pub. Those playing remotely will be invited to make a donation via PayPal. If playing remotely you will need to book in advance using the button below.

CYCLE SUNDAY

The first Swan Cycle Sunday was a great success with The Courtyard a hub of activity. Many avid cyclists stopped by to partake in the various cycling related things on offer. There were prizes to be won for those involved in the scavenger hunt that took them through one of our local cycle routes into Eton. Students from The Green Room School assisted in important maintenance checks to patrons' bikes.

There was a variety of food including a delicious BBQ brunch, a plethora of yummy cycle friendly snacks such as homemade flapjacks and energy bars and the return of The Green Room's allotment produce market. This is just the start of The Swan's plan to offer a welcome pit stop for cyclists stopping by for a well earned break.

QUIZ WINNERS

Congratulations to our winners 'Three is the Magic Number'. Although Duncan Gibson plus 3 friends made a team of 4 they were sitting at Table 3! Not only did they take glory on the night but they also won a £30 voucher generously donated by Cheesemungers of Windsor.

Our next quiz is scheduled for Wednesday 16 September - put it in your diary.

MACMILLAN COFFEE MORNING

The Swan will be supporting the Macmillan Coffee morning on Friday 25 September. More details will follow in due course but please put the date in your diary. We will be seeking donations of home made cakes so if you think you can bake please let Rachel [know](#).

BUILDING UPDATE

The Coach House has been in its final stages of completion this week with the final touches being made. The electrical testing has been completed and you can now see the building come to life at night with its warm inviting glow brightening up The Courtyard.

The air conditioning unit was installed upstairs midweek which will help regulate the room's temperature for all of the technical equipment going in.

Our weekday warriors have done an amazing job with the last coats of paint.

The furniture and cabinets are being constructed and will be installed over the coming days ready for The Green Room's 6th Form to start on Monday.

THIS TIME LAST YEAR

Probably the biggest news a year ago was that the scaffolding started to come down. Okay, only a small bit, but it was a start. This was around the entrance to The School Room and the iron railings were welded back on after making some small repairs.

The sparkies had been hard at work connecting up the cellar, the bar, the toilets and The School Room.

The team had also been busy putting fire doors on the toilets, varnishing The School Room floor, further stripping of the front windows, plaster boarding in the hall, and working to commission the gents toilet (very soon guys, honest).

As ever The Swan has a lot to offer now and across the month. With a lot to look forward to we hope to see you soon.

Warm regards,

The Friends of The Swan
