QUIZ NIGHT

Wednesday 16 September sees another, and ever popular, quiz night at The Swan. In response to concerns that some quizzers may have been put off by the plea to 'arrive early to avoid disappointment' we have introduced a booking system which we hope will make life easier.

Pre-booking is not essential but will provide the option to choose your table. Bookings can either be made in person at the pub or by phone (07458 300026) during pub opening hours.

FRIDAY TAKEAWAY

Another tasty offering from our friends at Dublicious. Order by midday on Wednesday 16 Sep for collection from The Swan next Friday. The Swan receives a donation from Dublicious for every order collected at The Swan - spoil yourself and help The Swan!

BINGO WINNERS

A return of Bingo to The Swan saw our first simultaneous live and virtual event. Richard Allen, our resident bingo caller delivered to players in the pub and those who stayed within the comfort of their own home. Once a few IT issues had been resolved the games began with many winners on the night including Vernon, Amjad, Erin, Trudy, Louise, Jane and Tony. The winner of the full house in our final game was Katie Eleftheriou who was presented with a beautiful swan motif notebook.

SUNDAY MINI MARKET AND BRUNCH

An early reminder that the next Swan Mini-Market will be held on Sunday 20 September from 12-3pm. Not only will there be fresh garden produce available but also an array of other stalls including the very popular Cheesemunger. If that wasn't enough incentive the chefs will be back delivering another Brunch. We look forward to seeing you there.

GREEN ROOM SCHOOL 6TH FORM

The Green Room School's outstanding sixth form provision, GR6, has had its first full week back in The Swan. It has been a busy and brilliant one. Students were blown away by the new teaching space that Jayflex put in place over the summer, and were excited to get cracking on the new PCs which were provided thanks to a grant from the Windsor-based UK office of global games company Take Two Interactive.

Expect to see and hear much more from the 14 young adults in GR6 as they settle into their new and improved home at The Swan.

THIS TIME LAST YEAR

Another busy week that resulted in comments like 'its starting to look like a real pub'!

Scott the plumber had been hard at work commissioning the gents toilets, connecting up the school's kitchenette, mounting the radiators in the school room and installing the ice machine in the cellar. There was a huge cheer when he appeared from the cellar with a handful of ice.

In the pub there were a number of paint trials - some successful, some less so. Immediate plans included:
grouting the gents, sealing it, and adding the cistern, painting in the bar and toilets, cutting and attaching the skirting, and adding the bar front.

With the new pub sign hung outside the door The Swan was rapidly becoming somewhere we are all proud of.

With the temperature set to rise there are even more reasons to visit The Swan this week.

Warm regards,

The Friends of The Swan
