To add to our Great British Pub award, and our inclusion in the Good Beer Guide 2021, we are delighted to say that The Swan has another award. We have been recognised by the British Institute of Innkeeping for our work in supporting the community. A lot to live up to but we are determined to continue during Lockdown2.

Lockdown is not easy and can mean missing a chat with friends and family. All the more reason to join us for a chat and a virtual 'Hug in a Mug'. You will need to provide your own drink (and cake?) but you are guaranteed a comfy chair and some great conversation. Book in [here](#).

WEEKDAY WARRIORS

Work is still progressing with raking out the old mortar getting ready for repointing and any damaged bricks have been replaced with our chimney take down ones. Other works have included filling and prepping for painting this is both internal and external. Do you have any spare time to help us? If so please [contact Ian](#).

GR6 UPDATE

Most GR6 students aren't afraid to get their hands dirty. Last week some of them got filthy down at the Market Garden helping to prepare the ground for a new nature reserve. The community-minded bunch spent the day removing huge amounts of debris and rubbish from an overgrown corner of the site.

They were lending a helping hand to the Windsor Allotments and Home Gardeners Association (WAHGA), which oversee the Clewer Park allotments and are installing the nature reserve. The plan to create a secure, wooded space for nature to thrive, on a site right next to the GR Market Garden, is very exciting and will give our young ecologists the chance to study the boost to biodiversity it's hoped the project will deliver.

Community has been an integral element of The Swan since inception but never more so than during lockdown. The Swan community continues to have a lot to offer, come and join us.

Warm regards,

The Friends of The Swan
