GR6 UPDATE

GR6 have been keeping a watchful eye over our beloved Swan, and while the pub may be locked down the students have been finding their wings. This week, lots of work has been put in on various projects, including the Market Garden and classroom-based tasks to improve computer skills. On Thursday the site was abuzz with activity as the students put together a special festive project which will be launching very soon. Watch this space, or give our Instagram a follow for some sneak peeks of what we're up to!

It may be a cold and dark autumn outside but we have at least 10,000 reasons to celebrate with The Swan community with lots to look forward to this week.

Warm regards,

The Friends of The Swan
