Keep safe and we hope to see you soon.

A small but determined group have been learning about researching their family history under the watchful eye of Tom Wigley. Tom is offering to run a second group of tutorials for anyone who might be interested. If this appeals to you please get in contact with [Tom](#).

WEEKDAY WARRIORS

A very busy time for the Weekday Warriors who have made great progress this week. Anyone walking past the gates recently should have seen that the tarmac has been removed revealing the concrete level.

With a mini digger onsite early this morning the Warriors will be able to dig a trench for the new electric cable to power the kitchen.

The Coach House now has its side door in place which will stop the drafts. There is still more old pointing to rake out and guttering to install.

Thanks this week go out to John, Tony, Trevor, Tom and Ian.

Undaunted by lockdowns, tiers and the weather, the team at The Swan continue to offer all that they can on behalf of the community. We look forward to you joining us.

Warm regards,

The Friends of The Swan
