

Beer & Cheese Tasting

6th February at 8pm

Dear Friend,

Okay, so Lockdown 3 is still in full swing but we ain't going to let that dampen our spirits. We are really chuffed that you can join us on Saturday night for our internationally themed Beer and Cheese Tasting.

As well as the Beer and Cheese, we will be laying on a little light-hearted entertainment between each tasting. It's not for prizes or money, just for fun so we do hope you enjoy.

We will also have some small breaks along the way to allow for personal pitstops, actually finishing the beer and cheese, savouring, and getting fresh glasses, etc.

Confirming Your Order

This what we have ordered for you and will have ready for collection:

Beer: *|HTML:MMERGE3|*

Cheese: *|HTML:MMERGE26|*

Your chosen collection time and place is: *|HTML:MMERGE27|*

When collecting your Beer and Cheese, we would appreciate that you collect it within the allotted times as this is being manned by volunteers who are

donating their time. Card payment is much preferred too. Thank you.

Joining the Zoom Session

We will be using Zoom which means that we can have two-way interaction with video and sound! If you have broadband or wifi, it is best to use this as a mobile connection may not be fast enough and may use quite a lot of your personal data. You do not need a Zoom account to participate.

Whatever device you are using, please make sure you have a lot of battery or the charger is plugged in – we don't want to lose you just as your 'bingo' comes up! If you are using multiple devices in the same room, please make sure only one has the microphone turned on otherwise we will all get feedback.

If you don't already have Zoom, it may ask you to install a small add on for your PC, tablet or phone. It is not strictly necessary to do this, as you can use a web-based version, but we would definitely recommend it! Don't worry it is very easy and completely safe!

If you already have Zoom, the Meeting ID is **991 2579 1942**, a moderator will let you in to the video call. Or better just click on the following button to join:

[Join The Video Call](#)

We will not be asking everyone to put themselves on mute during the games, for this first event, so that we can make it as interactive as possible, but remember, not everyone can speak at once! If you would prefer to put yourself on mute, please feel free.

Security

A bit big brother but your safety and security is important to us. We have the ability to admit, silence and reject people from the Zoom call. We also have the ability to report people so that it can be followed up by the authorities if necessary.

Please also **DO NOT** forward this email onwards. If people need information, point them towards info@theswanwindsor.co.uk for help.

Our policy for Online Events can be found in the [Terms & Conditions](#) on our website.

Zoom Facilities

Zoom also has a chat facility. Please feel free to use it to talk to everyone, or to specific people. We are not intending to use it for anything on the evening.

We will be doing some polls during the evening, all will be explained then. All you need to know at the moment is that we will be using Zoom Polls and that occasionally a pop-up will be presented to you. If you don't see it, then it may be behind the Zoom application or screen.

Does it Cost to Join?

There is no charge for the evening and TBH we are making little or no profit on the Beer & Cheese. However, if you would like to make a small donation to The Swan that would be appreciated. We now have a [PayPal account](#) for taking such donations. Simply click the button below.

Make A Donation via PayPal

As PayPal is secure, it may ask you to verify that you are not a robot. This is normal and you should simply tick the box before moving on.

As you know, times are tough and we are not making any money. We do have a mortgage holiday but still have the interest to pay on it. We also have water, electricity, RBWM, et al to pay. Please note that all Swan staff are being paid through the Government's furlough scheme.

If you want to, please [donate](#) what you can, small or large. It all does all help. A HUGE thank you in advance.

Any Problems?

If you have any problems, please email info@theswanwindsor.co.uk and

someone will get in contact with you and try and help you out. We can't promise to be able to help everyone with every issue, but we will try our best.

Feedback

We would welcome your feedback after the Evening. Please feel free to contact via email, Facebook, Instagram or Twitter. If the feedback is positive, we will try to do another similar event during Lockdown.

If there are any other virtual Swan events you would like to see, please let us know and we will see what we can do!

We look forward to seeing you at 7.30pm. Please note that this a sell-out event,

Warm regards,

The Friends of The Swan
