And much more!

Festival Time has arrived at The Swan. With the weather forecast looking favourable there is something for everyone this weekend. Family fun, food, guided cycle ride, live bands, raffle, guest beers and much, much more. Take a look [here](#) for all the details or, better still, come and experience it for yourself. The fun starts at 10am each day.

SWAN-FEST FRIDAY

Highlights for Friday include Face Painting, Mask Making, BBQ and a welcome return of live music from The Jam Factory. They are a six-piece with an extensive repertoire of classic rock, blues and soul music from the 1960's to the present day – that's 6 decades to fit into 2 hours! Don't forget the guest beers on offer all weekend The full timetable for the day is available [here](#).

SWAN-FEST SATURDAY

Saturday provides the welcome opportunity to throw things at Micky, our General Manager. Don't hold back as all proceeds will go to your 2021 Community Charity, Windsor Homeless Project. Windsor Cycle Hub will be on hand at 11 to help with any cycling queries before leading a guided bike ride at noon and live music from Lighthouse from 7pm. The full timetable is available [here](#).

SWAN-FEST SUNDAY

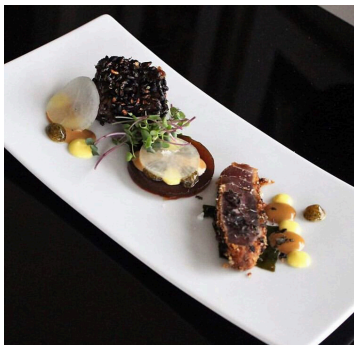

Before Mark and Sherridan bring the Swan-Fest to a close Sunday offers even more family fun. Rachel Reads makes a welcome return and there is a family quiz walk around the local area. Don't forget to buy your raffle tickets before 3pm. Full timetable available [here](#).

TUESDAY CRIBBAGE

Another welcome opportunity to join the players on Tue 17 at 7pm.. Not everybody knows how to play cribbage, and thus, can appreciate the tactics and complexities of the game. Once up and running, people find that it is very enjoyable, addictive and a great night out. An informal group currently meets at The Swan with a view to playing on a regular basis. You don't need to know, the experienced players will be explaining all the rules and helping novices through the whole process.

FRIDAY TAKEAWAY

A super selection of summer dishes from Dublicious. Select all the summer dishes or just mains or mains/dessert or starter/mains for a summer dining experience to remember. Order by noon on Thu, or until out of stock, for collection from The Swan 6-6:30pm on Fri 20 Aug.

QUIZ WINNERS

With questions set by Micky this week a tight competition on Wed saw the winners only crowned after a tie break question. 'Beyond Our Pay Grade' narrowly defeated '4 Play' for bragging rights, and a bottle of bubbly (which they donated to the Swan-Fest Raffle). The quiz returns on Wed 25 Aug.

BUILDING UPDATE

This week work has continued on the stable blocks as all five stables will be graced with power and lights! External lights will also help to add to the ambience of The Courtyard. Stable 5 will give Windsor Cycle Hub a home and Stable 1 will be made fit for a school office and breakout/therapy room for GR6.

Once the kitchen equipment is out, the rest will be a blank canvas for pop up enterprises, market stalls, private dining, a horse...who knows! Thanks as ever

to our Warriors for helping to clear the decks, to Keith our electrician for bringing the power and Artur and his team for the building work. Another part of The Swan is coming back to life!

With so much on offer it is impossible to provide all the details here so why not come and join the fun and find out for yourselves?

Warm regards,

The Friends of The Swan
