THE SWANBLES

Rachel, who reads stories on our [YouTube](#) channel has now started writing stories about 'The Swanbles' - Little People who live behind mini-doors around The Swan and who are rarely seen by Big People. Rachel Reads is bringing them to life especially for our young cygnets to enjoy. The first story, 'Mrs Swanble's Busy Day'. will be available soon. The aim is to produce 'Swan Stories' as booklets for sale only at The Swan. Watch out for more updates.

BOARD GAMES NIGHT

Simon Russell, our local games inventor, is hosting an evening of exciting board games. Some you will be familiar with, some which will be totally new. He will help setting games up and getting you going. Also with any questions you may have during the game. Feedback is also welcomed. Why not come down, meet some new people and try a game over a pint? Everybody welcome, all ages, no need to book a place. Mon 6 Sep at 7pm.

INTERNATIONAL PIRATE DAY

You have been warned! Sun 19 Sep is International Act Like A Pirate Day and The Swan will be ensuring that this overlooked day is celebrated in style. Put the date in your diary and watch for further details as the date approaches.

BUILDING UPDATE

The Weekday Warriors have excelled themselves this week with a lot of activity and a lot of progress. As soon as the long awaited final joist been fixed into The Kitchen ceiling the messy job of replacing the fibreglass insulation began. Acoustic insulation has also been fitted into the stairwell leading to the School House and the walls were boarded ready for plastering. Not ignoring the outside area the final cable reel table has had a smart new top installed.

How many Warriors does it take to get a single cable across The Courtyard without digging a trench? Fortunately with welcome foresight the team had left a tube in place complete with a simple rope pull through. Three Warriors, a rope and little bit of tug of war saw the task complete in minutes!
