## GR6 UPDATE

With the harvest moon hanging low overhead, the GR6 team have been making the most of the fine weather down at the allotment harvesting some beautiful veg which was on sale at the Epic Thursday market yesterday and will also be on sale at The Swan Mini Market on Sunday. To mark British Food Fortnight the quintessentially British treat of Afternoon Teas, complete with hand-made decorative cake stands and teapots, was also on offer. The courtyard was buzzing as everyone enjoyed the autumn sunshine and service with a smile.

This week has seen the opening of the GR6 office, which you may have seen being installed in Stable One. This new space gives the GR6 team a breakout room for small sessions and meetings, as well as a therapeutic space. We're really pleased with the work that has been done and want to thank everyone in The Swan community for their patience whilst this vital work has been carried out.

## WINGS UPDATE

The WINGS Programme will now be manning The Swan on Tue and Wed mornings. Come in and try coffee, cakes and bakes from 10.30am till 1pm. The Swan is a great venue for your community group, club get-togethers, social gatherings or business meetings and The Wings Team are happy to cater for these larger groups.

## BUILDING UPDATE

Aided by Ian (Plasterer) and Keith (Electrician) the Warriors have seen further significant progress this week. The kitchen ceiling now has 2 hour fire insulation. Store room ceiling has now been plastered and by the time you read this the Kitchen ceiling should have reached a similar milestone. Meanwhile further work on the electrics for the stables is nearing completion with the added advantage of improving the power supply to the outside heaters - winter is coming!

The sun is still shining and The Swan is in full flight. Come and see for yourself.

Warm regards,

The Friends of The Swan
