

TIME TO REMEMBER

5 November 2021

Hi Friend,

There is much to remember as November is upon us.

NEW EVENTS THIS WEEK

FRIDAY: BONFIRE NIGHT

Remember, remember it is the 5th of November. A very special evening is planned at The Swan. The bonfire has been tested, our live band, BackTrak, have been busy rehearsing so the scene is set for a great evening. A BBQ, toffee apples and more with the fun starting at 5pm and live music from 7:30. Sparklers will be available to buy but, sorry, no fireworks. See last time [here](#).

SATURDAY: CYCLE HUB

The [Windsor Cycle Hub](#) is now a regular and increasingly popular Sat event at The Swan from 11am. This week as well as the Bike Kitchen, there is gentle guided ride (suitable for families) leaving at 11.30 returning about an hour later.

TUESDAY: MAGICIAN / ILLUSIONIST

Steve had a sell out crowd for his first gig last Tuesday. All said that they had a fantastic time but are sworn to secrecy about what happened. Why not experience it yourself? There are a couple of tickets left for Tuesday 9th, see [here](#).

WEDNESDAY: THE SWAN QUIZ

On Wed 10 Nov our "nearly tame" quiz master, Martin, returns with another fiendish collection of questions that may make you think hard. The 5 rounds will be: Heard of Cows?; Cheese; The Joker Round; Currencies; Prost! Starts 7:30pm. Book via pub.manager@theswanwindsor.co.uk

WEDNESDAY: CREATIVE DRAWING

Our artists are back with the latest installment of drawing classes. There are a few spaces left on the following two dates (10th, 17th). Why not take advantage of our £5 trail session and get in touch today: lcreativesuk@outlook.com

THURSDAY: EPIC THURSDAYS

Next Thu 11, GR6 will be marking Armistice Day with a World War One themed menu. Doors will open at 10:45 before observing a 2 minute silence at 11:00. Please keep an eye out on the [GR6 Instagram](#) account for more details.

FRIDAY TAKEAWAY

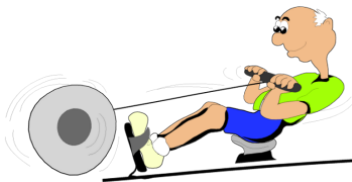

A Great British Roast from Dublicious. Choose between Honey Roast Ham, Beetroot Wellington or Cod Wellington. Served with a fine selection of sides. Order [here](#) for collection from The Swan on Fri 12 Nov at 6pm.

EVENTS LATER THIS MONTH

CHILDREN IN NEED

On Fri 19 Nov we will be doing a number of mini-events throughout the day to raise cash for Children In Need. This will include Bake Sale, waxing Micky's legs, Karaoke and much more.

To raise money, we are attempting to row the length of the River Thames - 346km - from 10am 'til 10pm, on a rowing machine. But we need more rowers - can you help? Please contact: children.in.need@theswanwindsor.co.uk

ONLINE AUCTION

Thank you so much to everyone that has already dropped off items for our Online Auction. There is still time to donate though. If you have anything that is in good condition and resalable please pop it in to the collection box before Wed 10 Nov. All proceeds will go to the Swan refurbishments. Thanks.

LAST WEEK'S EVENTS

BOARDGAMES NIGHT

On Monday our games master hosted another evening of new and old board games. The evening is growing in popularity with many new faces. Why not give it a go yourself? Every first Monday of the month.

HALLOWEEN

Halloween was full on despite the weather, The mini-market was held in every nook and cranny in The Swan to stay out of the rain. The BBQ was a huge hit as always. The fancy dress was fantastic with Dawn and Connor winning the day. And all wrapped up with an excellent session by Mark & Sherridan. See more [here](#).

GR6 UPDATE

After half term break the GR6 team immediately got stuck into some Swan community-minded fun by building some dummies for the bonfire that will be lit at the Swan this evening. The poor chaps are called Gert and Dirk and should provide some amusement and traditional musings this Bonfire night! Epic

Thursday this week had a Diwali theme. The Wings students prepared some beautiful Diwali cookies and a delicious Butter Chicken curry, both of which sold out!

BUILDING UPDATE

Q: How many volunteers does it take to straighten a kitchen wall? A: Lots! Much of this week has been spent ensuring that the battens in The Kitchen provide a flat and level surface ready for fitting the final finish prior to installation of the equipment. Not an easy task as the fabric of the building continues to remind us of its age. A slow and time consuming task but essential if the finished facility is to be fit for purpose.

We look forward to welcoming you to The Swan soon. And remember, we have ping pong too on Tues & Thurs!

Warm regards,

The Friends of The Swan
