Read on for more details of a packed week ahead.

GREEN ROOM WINTER FAYRE

GRS students are running another of their famous Winter Fayres at The Pub today from 4:30 - 9:30. There's a real mix of stalls such as arts & crafts in The School Room, live music from The Coach House, a South African BBQ, more food options, a raffle and Santa's Grotto too. Make sure you see them all. Take a look [here](#) to remind you of the previous Fayre.

LIVING ADVENT CALENDAR

We are delighted to host again the Windsor Living Advent Calendar. This years performance by GRS is a closely guarded secret but certain to be another festive performance. This is scheduled for 6:15 this evening and is an event not to be missed! Get in the mood with a [look back](#) to the last performance.

SATURDAY CYCLE HUB

Bikes rather than sledges will be on display on Sat as The Bike Kitchen returns from 11-Noon. There is a gentle guided ride from 11.30am suitable for all riders and bikes. For more info, please go to our [WCH page](#).

MONDAY BOARD GAMES

Simon, our local games inventor, is hosting another evening of exciting board games. Some you will be familiar with, some will be totally new. He will help setting games up and getting you going. Why not join in, meet some new people and try a game over a pint? Everybody welcome, no need to book a place.

TUESDAY CRIBBAGE

Another opportunity to join this friendly group of cribbage players meeting in The Bar at 7:00 on Tue. This is an informal group meeting with a view to playing on a regular basis. You don't need to know the game, the experienced players will be explaining all the rules and helping novices through the whole process.

WEDNESDAY QUIZ

The rounds this week will be on Body and Mind; 21st Century; Money and Power; Pies and Pints; Cinema. Get thinking and book your table via pub.manager@theswanwindsor.co.uk

BUILDING UPDATE

The Weekday Warriors were joined for part of this week by Freddie from GR6 and, all be it briefly, by Lexie. Freddie helped the team to install the final elements of insulation on The Kitchen wall whilst Lexie insisted on showing us how to measure angles! With insulation now installed, and boarding of the walls nearly complete the plan is to lay the new floor in the coming week. Fingers

crossed! For the very latest images of the work please view our [Renovation Diary](#).

The Swan has got its festive hat on. Come and see for yourself and join in the fun.
