

THIS IS NO APRIL FOOL - BIG NEWS!

Friday 1st April

Hi Friend,

It may be April Fool's Day ('Prima Aprilis' in Poland, 'Poisson d'Avril' in France and 'Humorina' in Odessa, Ukraine) but we have no shenanigans for you here.

THE COURTYARD IS BEING RESURFACED

Today The Courtyard is being remodelled! This is an exciting step in our renovation project. This does mean it will be closed for the majority of the day but we'll let you know when it's opened up... with lots of pictures! This will make it much more usable for the sunny days to come. The pub will be open as normal from Noon. See the progress in our [renovation diary](#) for this week.

AND THE KITCHEN IS GETTING VERY CLOSE

The Kitchen gets ever closer to being ready for its' first test. [McFarlane Telfer](#) were in on Wednesday for commissioning the equipment. The Warriors were finishing off the last few bits and tidying up the internal hallway. There will be a few final tweaks before a deep clean after all the building work that has gone on. And then hopefully we can start some basic testing.

THE CYCLE HUB IS MEETING AGAIN

Visit the Cycle Hub this Saturday from 11am. They'll show you how to lock your bike properly and even security mark it for free. Plus they can make repairs too. And at 11.30, they have an organised Gentle Ride popular with young families, older riders & everyone in between. See the [Windsor Cycle Hub](#). As they're a charity, donations welcomed.

MONDAY IS BOARD GAMES NIGHT

Our local board games designer is returning to The Swan on Monday at 7pm. He is bringing a range of games that will suit all tastes. Tuition and help are available. This is a cracking way to get into the world of board games and play some known, some brand new, and some still under test before being released.

FRIDAY TAKEAWAY: A TASTE OF SRI LANKA

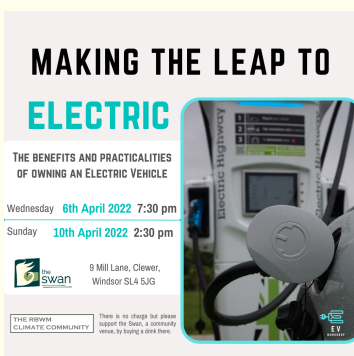

Authentic, tasty, well prepared Sri Lankan food from our specialist chef Chris of Dublicious. He is bringing traditional Sri Lankan spices and ingredients together to create a range of dishes that will simply explode with flavour. Your mouth is going to rejoice with happiness this week. DER STAMMTISCH IST DIESEN DONNERSTAG

Calling all speakers of 'deutsche Sprache'. Our Stammtisch is meeting this Thursday at 7.30pm for chatting in German, having a few 'Biere und Wiene', and generally having a good time. Our new wine list has [Grüner Veltliner Vom Haus](#) especially for the occasion. Sorry, this is not for beginners.

EXCITING TIMES AT OUR SCHOOL TOO

This week's Epic Thursday was dedicated to celebrating the humble potato. We served a spud heavy feast and received some amazing feedback about our delicious offer and great service. Thanks to all who came along.

Next week's Epic Thursday, the last of our term, will be an Easter Egg-stravaganza. Our offering will include Mint & Lamb sausage roll, hot cross buns and much more.

PLUS you can order a personalised Easter Egg from us too for just £5 - instructions are on the poster.

This week GR6 were treated to an expert tour of the new kitchen that has been slowly taking shape beneath the school House. Huge thanks to Michael from McFarlane Telfer Ltd (MCFT) who came in to show us how the new kitchen appliances will work once the kitchen is up and running. MCFT have donated much of the equipment that has been installed at The Swan.

In this week's email there is so much going on that we didn't even get a chance to mention some of our regular events in The School House. Every Wednesday we have our popular [Creative Drawing](#) classes run by our local artist Dean Rossiter. And on Thursdays, our Mindfulness Workshops for the mind and spirit run by expert Andreas Sira.

Hope to see you very soon!

Warm regards,

The Friends of The Swan
