

## A RIGHT ROYAL KNEES UP

20 May 2022

Hi Friend,

With less than 2 weeks until the Platinum Jubilee Bank Holiday celebrations there is plenty to look forward to at The Swan. Make sure you read about our plans so that you don't miss out.

---

### PLATINUM JUBILEE CELEBRATIONS

#### TIME FOR TEA

Help us make our very own street party (some imagination required as it will be in The Courtyard!). On Thu 2 and Fri 3 Jun The Courtyard will be transformed into a street party venue with afternoon tea available in 2 sittings on both days. Sandwiches, cakes, scones and prosecco, as well as tea, will be on offer. Space is limited so pre-booking is essential. Take a look [here](#) for booking and timing details.

#### PARTY GAMES

Test your skills with a variety of games available for all ages to play in The Courtyard. Available all weekend.

## LIVE MUSIC

On Thu 2 Jun Mark & Sherridan will be performing live from 7:30. On Fri 3 Jun at the same time it will be the turn of James Brown. Both are Swan favourites having provided excellent entertainment in the past.

## THE KITCHEN IS NOW OPEN

After a significant amount of work over several years, and with covid to boot, The Kitchen is now open. Thanks to everyone involved in this fantastic achievement. All you have to do is try it for yourself. Take a look [here](#) for opening hours and menus.

## FIVE STAR RATING

We are absolutely delighted that our newly opened Swan Kitchen has achieved a 5 Star Food Hygiene Rating. This is testament to the work put in by the whole team.

## WINDSOR CYCLE HUB

Windsor Cycle Hub will be back at The Swan from 11am on Sat. They provide free basic repairs from their Bike Kitchen team with an Adventurer Guided Ride leaving at 11:30 and returning approximately one hour later. This week the route will be via the Stag Meadow path and on to Windsor Great Park. Take a look [here](#) for more details and how to book in.

## GUEST ALE

The Swan is pleased to welcome Eisbar, the first lager produced by XT, a craft brewery based near Oxford. After a long slow cold fermentation this Vienna style lager has an initial slightly sweet hop flavour followed by light peppery notes. With a superb aromatic balance this beer has a quintessential lager flavour, pale, slightly dry, clean, crisp and very refreshing. Absolutely delicious. £5/pint.

## TUESDAY CRIBBAGE

Another opportunity to learn new skills or improve your technique. Tue at 7:30 The Swan Cribbage Club meets in the bar, why not join them? There is an informal group currently meeting at The Swan with a view to playing on a regular basis. You don't need to know the rules, the experienced players will be explaining the intricacies of this fascinating game and help novices through the whole process.

## WEDNESDAY QUIZ NIGHT

The Swan Quiz returns with more brain teasers to test your knowledge and ability to recall facts that you hoped you had forgotten! Five rounds of 10 questions with a tie breaker on handed if it goes to penalties! There is also a jackpot to be won on the winning raffle ticket. It rolled over again last time so is now standing at £50. It could be you but you need to be in it to win it! Take a look [here](#) for more details

## FRIDAY CHARITY COFFEE MORNING

Please join us on Fri 27 May as we host a coffee morning on behalf of our 2022 Community Charity, [Family Friends](#). Please help us to raise much needed funds for this valuable charity that is facing ever increasing demand for its support. Home made cakes and delicious coffee (& tea!) will be available 10:30-12:30. A perfect excuse to eat cake and feel good about it!

## EPIC THURSDAY

This week's Epic Thursday was another success with the Wings kitchen crew delivering some more amazing Epic Breakfasts. If you haven't tried the most exciting brunch menu in town, you need to come down next week on Thursday at 11am, to get some of that delicious food before the half-term break.

## GR6 UPDATE

GR6 have been busy working on their Community Projects this week. In the offing is a free dog walking service, a toddler's morning at The Swan and some of the students are helping to produce the set and props for the Alexander First School production of Wizard of Oz.

We believe instilling a community mindset is key to personal growth and development for our young learners. On Tuesday the walking training for the Snowdon expedition continued taking on the Wind in the Willows trail around Cookham Dean. Although not too long was a good test of endurance in the hot and humid weather.

On Wednesday a great time was had at Langley College helping some of the Sports students with their coaching assessments. The guys there were brilliant hosts and everyone enjoyed a great game of 5-a-side on their brilliant 4G pitches.

Always a busy time at The Swan and much more to look forward to.

Warm regards,

The Friends of The Swan
