

TIME FOR SOME FRESH AIR

10 June 2022

Hi Friend,

The Jubilee bunting has been taken down and the street party tables have been folded away but there is even more opportunity to get out into the fresh air this week. Follow our favourite cyclists or simply enjoy the warmer weather in the comfort of The Swan Courtyard. With National Beer Day there is still plenty to celebrate.

SATURDAY CYCLE HUB

Do you want to be part of Clean Air Day on 16 Jun, but want your bike safety checked? Then why not come down to the Windsor Cycle Hub Bike Kitchen at The Swan between 11:00 and 12:30 for a FREE safety check? A Gentle Explorer guided ride will set off from The Swan at 11:30 and return approximately one hour later. Please follow this [link](#) for further details or visit the WCH [website](#).

CYCLE VOLUNTEERS

The members of Windsor Cycle Hub have shared their love of cycling with the people of Windsor for the past year. They are all volunteers and to support the growing number of visitors they need more volunteers to help with Guided Rides and the Bike Kitchen. If you are interested why not join them at The Swan on Tue 14 Jun at 7pm to find out more?

WEDNESDAY NATIONAL BEER DAY

Wed 15 Jun is National Beer Day. Why not celebrate this most joyous of days at The Swan!? We have a wide range of Beers from the Windsor and Eton Brewery and much more in bottles and cans too. What's not to enjoy!? Even more exciting when there's 50p off a pint ALL DAY!

THURSDAY BINGO

It's back - Bingo at The Swan on Thu 16 Jun. Dabbers and Bingo cards will be provided and our very own resident caller, Richard Allen, will be hosting the event and calling the winning numbers. Eyes down at 7:30. Take a look [here](#) for a reminder of previous bingo evenings.

FRIDAY PAINTING AND PROSECCO

You asked and it has returned! Painting and Prosecco evening is back on Fri 17 Jun from 7pm. Stay tuned as we will be posting details soon for how to book on to the night. Follow Dean through a step by step painting masterclass while enjoying a glass or 2 of bubbles. With limited spaces available please contact lcreativesuk@outlook.com or call 07557 226263 for more details. See also www.localcreatives.co.uk.

QUIZ WINNERS

Congratulations for another Swan Quiz win for the now infamous Hetties Heroes Team. Is it time others gave these serious quizzers a run for their money? Your next chance is on Wed 22 Jun at 7:30pm. There will also be the opportunity to win the extra prize which has rolled over to £20. Rob Smith was the lucky winner this week and hopefully he enjoyed his free drink on the house.

GR6 UPDATE

GR6 celebrated Cycling UK's Bike Week with a collaboration with Windsor Cycle Hub. The students were taken on a 10 mile ride along the Thames and Jubilee River, guided by John Symon from the Hub. WCH promotes safe and affordable cycling and helps young adults develop the skills required to find employment in the ever growing cycle industry. Josh, one of the GR6 students, is already working with WCH to learn cycle tech skills with more exciting working together in the future! GR6 had a great ride using donated bikes which had been made mechanically sound by the WCH team. Thanks to John for guiding the ride and Keith from the Hub for getting the bikes ready!

On Wed Epic Thursday regular Donna filled the Swan Elders session with tales of her career in musical theatre, logistics and her passion for flying light aircraft. Swan Elders is a great opportunity for students to hear real life stories of careers and experiences which they may want to pursue themselves one day. If you're interested in giving a talk, drop a line to infoGR6@thegreenroomschoolwindsor.

Next week students and staff are off to scale Mount Snowdon, but there will still be an Epic Thursday at 11am on 16 Jun.

Fresh air on two wheels, or two legs, is the order of the week with National Beer Day providing the perfect excuse to refuel at The Swan.

Warm regards,

The Friends of The Swan
