

Dear Friend,

News of the death of Her Majesty Queen Elizabeth II has brought great sadness to us all this evening: in Windsor, the nation, the Commonwealth and indeed across the globe. Here at the Swan, we will take time to reflect on her remarkable life of service and send our deepest condolences to the King and Queen Consort and all the Royal Family.

The pub will remain open for those who would like the opportunity to reflect within our supportive community.

As a mark of respect there will be no Weekly Newsletter from the Friends of the Swan tomorrow, and planned events over the next few days will re-assessed in light of this sad news.

God Save the King.

Regards,

All those associated with The Swan
