WE NEED YOUR PICTURES!

We are looking to put together an online library of pictures of The Swan and the locale for future generations. We have some excellent ones (thanks to Carol Meakin) and are looking for more. Inside enjoying yourselves? At an event? Outside of the building? The Lane?

All we ask is that you have permission to share. **Please send to** info@theswanwindsor.co.uk, no bigger than 20MB per e-mail please. Thanks in advance.

GR6 UPDATE

GR6 & Wings team took on the autumnal adventures of Oaker Wood Leisure this week, with a two-night residential woodland activity trip . The gang got stuck in with building rafts, scaling treetops on high ropes, battling it out with low-impact paintball, laser clay pigeon shooting and lots of cooking and campfire fun. The guys all had a great time!

From an energising ride through to a relaxing meditationor simply a pint by the roaring fire, there's plenty to enjoy down at your local this week! We look forward to seeing you soon!

Warm regards,

The Friends of The Swan
