

OCTOBER MEETS OKTOBERFEST

7 October 2022

Hi Friend,

The nights are drawing in and Christmas is already just over the horizon. Get into the spirit early with Oktoberfest, Mulled Cider and plenty of other ways to enjoy the season at The Swan this week.

OKTOBERFEST WEEKEND

This weekend, all weekend, The Swan is celebrating Oktoberfest in style. Bavarian Beer will be replacing all of our keg lines. Take a look [here](#) to see your choices. Our very popular Mulled Cider is also available as well as a Bavarian BBQ. Friday, Mark and Sherridan will be playing live from 7pm and piped Umpah Music will be playing all weekend. So don your lederhosen and get to The Swan this weekend!

AUTUMN CHILL BEATERS

As the autumn evenings are getting darker and colder there is plenty to keep you warm at The Swan. If the open fires are not enough then why not try the Mulled Cider on offer from the Bar at only £5 per glass. Whether you are young at heart, or simply young, you know it makes sense! (Normal age limits for alcohol sales and consumption do apply!)

CYCLE HUB

The Cycle Hub team will be in position again in The Courtyard from 11:00 on Saturday. As well as offering advice via the Bike Kitchen there will be a Gentle Explorer Guided Ride leaving from The Swan at 11:30 and returning about 10 miles later! To book either or both please take a look [here](#).

There will also be a themed ride focussing on HRH The Duke of Edinburgh in his role as Ranger of the Park and President of the Guards Polo Club. This is happening as part of the Windsor Arts Festival and will leave at 2pm on Sunday from Bachelors Acre, heading to the Great Park before finishing at The Swan at 4:30- 5:00pm. Please contact [Colin Shearer](#) if you would like to book a slot.

The team at Windsor Cycle Hub have been sharing their love of cycling with the people of Windsor for over a year. They are all volunteers and to meet the increasing need in their activities they need more volunteers to help with Guided Rides. If you think you could be interested join them at The Swan on Tue at 7pm. Why not take a look at their [website](#) for more information?

GR6 UPDATE

Another varied week from devising Game Shows, to learning how to verify information, to getting stuck in at the Market Garden and renovating pub furniture in the workshop, there is always an opportunity for everyone to develop their skills and interests. The Swan Elders talk was given by Danielle Haxby, Head of School at GRS farm school. Her talk gave a funny and personal account of her formative years, education and career pathway. She shared lots of learning moments along the way, looking back on her mistakes and triumphs with humour and insight. If you'd like to spend 45 minutes on a Wed telling our young learners your story, whatever it is, please get in [touch](#).
