THE SWAN QUIZ

Another busy night at the Quiz this week, and the return of Quiz Lord Martin sporting his kilt in honour of Burns' Night. In a run of good luck, Congratulations to The Desperados who, in a run of good luck, picked up the £25 bar tab once again!

And newcomers 'We're only here for the Raffle' actually won the raffle! How's that for a self-fulfilling prophecy? Ollie picked out a spirit and mixer, so the cash jackpot rolls over again to a staggering £60 for the next Quiz on **Weds 8th Feb!** More details next week but be sure to [book a table](#) soon.

GRC UPDATE

The students have been getting out and about this week. As well as their lessons, they took trips on the train to help develop confidence using public transport and gain independence. We also visited the Oxfam shop where each bought a book to form the basis of our new pop-up library. We're aiming to ensure books are always at hand for our kids in their breaks, to improve literacy and foster curiosity.

BUILDING UPDATE

The painters and brickies were back in this week to work on some of the areas where scaffolding has been removed. The roofer checked over the School House roof following the solar panels being installed and all is ready for the next level of scaffold to come down! Not long now....!

There's lots going on down at your favourite local - we look forward to seeing you very soon!

Warm regards,

The Friends of The Swan
