

ST GEORGE AND KING CHARLES

21 April 2023

Hi Friend,

What a week to look forward to at The Swan. With so much going on there is bound to be something for everyone so come and discover for yourselves. We can only whet your appetite here so please take a look at our [website](#) for more details.

CORONATION CELEBRATION

The coronation of King Charles III will soon be upon us and we will be celebrating in style with a 'Right Royal Rave Up' bringing everyone together over the long weekend. There is something planned for each day, so much in fact that it needs its own newsletter. Watch out in your inbox for all the details on Monday!

ST GEORGE'S DAY

Sun 23 April is St George's Day. To celebrate there will be the first BBQ of the year from noon until 6pm. Micky will be behind the grill as Kieran takes a well earned rest. This does mean that the BBQ is instead of Sunday roast. Come and join us and keep your fingers crossed for good weather.

COFFEE MORNING

The next coffee morning in support of our 2023 Community Charity, Swan Support, takes place on Fri 28 Apr from 10:30 - 12:30. Please join us to enjoy delicious home made cakes, and to raise funds for this busy charity. All cake donations gratefully received.

GR6 UPDATE

GRC is back at the start of a new Term, with things starting to get really exciting with lots of amazing new projects, learning moments, Epic Thursdays and outward bound trips planned. This year it's even more exciting as we welcome Tina, our new Head of GRC!

Tina has a wealth of experience in teaching and education management in Further Education colleges, as well as a fascinating history of employment prior to this. Please join us in welcoming Tina to The Green Room and the wider Swan community.

BUILDING UPDATE

We were back with a bang of the breaker this week as Steve dug a trench ready for the foundations of the brick wall in the Cowshed to go in. So far the only treasures found have been some bits of pottery and an oyster shell! The Students also busied themselves with tidying the area and prepping the remaining walls to be painted. The second phase of Project Cowshed is well underway with the goal of making it inviting for the Coronation weekend.

There really is something for everyone this week, and beyond. Take a look at our [website](#) for even more details.

Warm regards,

The Friends of The Swan
