GR6 UPDATE

This week GRC did 6.6 miles on their resilience walk along the Thames from Maidenhead back to The Swan. Lovely dogs Angus and Daisy have been spending time at GRC over the past couple of weeks, allowing students plenty of contact time with pets, which calms anxieties, engages and helps them build relationships.

Whether you're a gardener, a foodie, a party goer or all three, there's plenty fun to be had at Windsor's #1 Community Pub this week, so come on down!

Warm regards,

The Friends of The Swan
