MEDIA COVERAGE HOME AND ABROAD

Did you know our Community pub is being talked about in Sweden? Take a look [here](#) to see what they are saying. For some slightly more local news coverage tune in to Bridgitte Tetteh's morning show on BBC Radio Berkshire at 7:50am.

SWAN HISTORY SNIPPETS

With 300 years of Swan History there is far too much to include here. Instead all the information is being added to a new group on Facebook. This week read about the exciting topic of Sewerage! Follow this [link](#) to join the Group and read all the details.

UTILITIES

Along with many others The Swan is facing increased utility bills. Whilst staff continue to monitor usage they would welcome help from anyone who has experience in managing and monitoring energy usage. If you think you can help please contact Will Calvert by [email](#).

The sun is set to shine, the beer is ready to flow, SwanFest is here with something for the whole family. We look forward to seeing you there.

Warm regards,

The Friends of The Swan
