BINGO WINNERS

It was a small but perfectly formed group of bingo lovers who braved the cold last night to do battle with their dabbers! In a run of remarkable luck, Karin did the treble, winning a line and two full house prizes, while Jen and David were victorious in the final Golden Ticket game! Next months Bingo night is on Thursday 15th February at 8pm.

GRC UPDATE

GRC have been busy this week warding off the cold. Students began a new project called The Scoop on Our Stuff, investigating the true cost of the products we buy and use. Our Swan Elder this week was local parenting coach Josie Taylor. Josie gave a candid talk about her formative years and career path, and delivered some inspiration and self affirming advice to our students.

Epic Thursday was another success with the pub busy with diners. The winner of Epic Thursday Quiz Time, with 11 points from 15, were Mecca!

DIARY DATE - GREEN CANTEEN

The Green Room's first Green Canteen of 2024 will be taking place on Tue Jan 30th. GR students will be serving a delicious evening menu at The Swan from 5.00pm to 8.30pm.

The Green Canteen dinner service is designed to stretch and extend GRC students in terms of their hospitality work experience. Students are supported to make the step up from the relatively cosy nursery slopes of an Epic Thursday, to work in a busier evening pub environment. This is a real challenge, but the rewards are huge: increased confidence serving customers, more experience in a real work environment and even a share of the profits! Do come down and support this enterprise if you can.

HISTORY SNIPPETS

In our wee history group, this week we go back to 1826 when The Swan was, as now, a destination for good food and the centre of the community. It also highlights a forgotten tradition of the Parish of Clewer. To read more please visit our [Facebook Group](#) - all welcome.

Food features prominently in the coming week, and beyond. Just one part of the warm welcome available to all at your favourite community pub. Come and taste it for yourself.

Warm regards,

The Friends of The Swan
