GRC UPDATE

GRC threw open the doors to the public on Wed, to welcome potential students with their parents and carers, along with members of the community and local authority representatives. It was a wonderful event and we all enjoyed showing off our outstanding college and it's unique home here at The Swan. All our visitors were amazed at what we're achieving as a school and as part of this amazing community hub!

The Green Canteen on Tuesday was a huge success, and our busiest ever service. We're proud of the students who put in the hard work make it run so smoothly. The Green Canteen will be taking over the kitchen again on **Tuesday 27th February**. Save the date and check back for the menu in the coming weeks.

HISTORY SNIPPETS

For our history group this week we are going to have a quick delve into The Smithy across the road from The Swan. It was an integral part of The Swan for many years. Catch up on all the history [here](#).

Another week of fun and food at your Community Pub. Regardless of which national team you support there is a warm welcome for everyone.

Warm regards,

The Friends of The Swan
